SAARIHARJU

Harjumokit

Welcome to the Harjumokit cabins to relax and enjoy the laid back atmosphere of a true rural village. We have four cozy cabins for rent. There is a cooking shelter, gazebo, barbeque hut, and a fire pit with a smoke cooker in the yard. For the kids, there is a playhouse, sandbox, swings, trampoline and all sorts of games and toys. There's plenty of room to run around and play, and our shallow waters by the beach are safe for splashing about, and riding a pedal boat.

Saariharju is surrounded by numerous lakes full of fish, ready for exploring! The closest one is Lake Saarijärvi, where we have a rowboat, canoe and a pedal boat in the summertime. During the winter you can go ice fishing or skiing. State-owned hunting and cloudberry picking grounds are nearby.
