

RANUA

Arctic nature photo tour

With the help of the guide, you'll experience Lapland's nature and nature photography. The guide will tell you about the animals in the wild, and you'll get to photograph various subjects in the nature. The pristine and unspoiled wilderness will provide ample opportunities for stunning photographs. If you're lucky, you'll see the colorful glow of the northern lights in the sky, and capture the experience on camera. You can also negotiate with the photographer about the location of your tour.

When: All year round

Where: Starting at the Ranua Zoo

Includes: The trip includes transportation and a photo tour in the wilderness. The guide will take the customer to a nature photograph destination in Ranua or the surrounding areas, according to the customer's wishes. Weather may affect the shooting conditions and choice of location. The guide reserves the right for changes due to weather. The guide will provide instructions during the shooting according to the customer's wishes. It is also possible to participate without any camera equipment, and just observe the photographer at work. Packed lunch provided.

Duration and price:

3 - 6 hours 30 €/ person per hour

Possibility to plan the photo tour according to the customer's wishes upon agreement: bear, bird or landscape photography, for example

Group size: 4 to 6 persons

Guides: 1

Equipment: The customer should bring their own camera equipment, and appropriate clothing for the tour.
